Heritage Level: \$5001-\$10,000 _____

Conservation Level: >\$10,000 _____

In-Kind Option _____

(see below for an explanation of the in kind option*)

*All donations are tax deductible as EMHR is a 501(c)3 organization.

*In-Kind memberships are a new offering from EMHR for 2023. In-kind means that in-lieu of a monetary donation your organization would instead pledge time or donate materials for a project or event. One option is for your organization to have employees sign up to volunteer with the EMHR. Volunteer opportunities include river clean ups, grant project sites, event setup, and more. Another in-kind option would be if your organization would like to offer discounted tickets or free entry to EMHR members at one of your events. This is a great opportunity for collaborative partnerships and marketing at our events, helping spread the word to a broader audience. Contact the EMHR at (570) 265-1528 for more information.
